**Fun Project SHINE Math Facts:**

If all 400 students each asked 20 different people to donate \$10.00, we would raise **\$80,000** & share Project SHINE with **8,000** people! **Wow!**

Don't know 20 people? Try asking 10 people to donate \$20.00 each. We'll exceed our goal & share Project SHINE with 4,000 people. What a blessing!
